With Vissco's Range of Orthopaedic and Mobility Aids

Visско — the preferred choice of doctors and patients alike since 1963.

Who we are:

We are India's leading manufacturer of orthopaedic solutions and mobility aids. Our 50+ years of hands-on experience and dedicated research have helped us develop a range of products that deliver the highest standard of support at competitive prices. That's why you can trust us to deliver innovative solutions — whether it's in orthopaedics or mobility aids.

What's our story:

The Visско legacy began when our founder, Mr. Chinubhai Gandhi, set out to find a cost-effective, high-quality product that would ease his wife's cervical pain. And this inspired a journey dedicated to developing innovative solutions that help our users bounce back and live life to the fullest.

Why choose us:

Over the years we have earned a steady client base of medical professionals and patients who trust us to help minimize pain for any orthopaedic injury.

Visско products stand for:

Trusted brand

Scientifically proven products

Superior quality and materials

Competitive prices

Assured customer satisfaction

Great post-sale service

Rise above the competition with Visско's unique product range for all body parts.

Stock up on high-end solutions for all types of injuries — from the smallest strains to chronic conditions.
